

Continuous Bond Application

A Bond guarantees payment to U.S. Customs for the Duties and Taxes due on an import shipment. Many Importers purchase a US Customs Continuous Bond to avoid Single Entry Bond charges. A Continuous Bond's value is based on 10% of the Duties, Taxes, and Fees paid on shipments imported over the previous 12-month period. \$50K is the minimum value of a Continuous Bond.

If you would like GLC to request a Continuous Bond on your behalf, please complete and return this form.
